CENTRAL SUPPLIER
DATABASE
FOR GOVERNMENT

ONE GOVERNMENT ONE DATABASE

COME and REGISTER on a Government Central Database for **National, Provincial, Local Government and Public Entities**

The Central Supplier Database (**CSD**) will be the source of all supplier information for all organs of state. The CSD will reduce the exchange of compliance documents in paper form, eliminate multiple registrations with different organs of state, and ultimately reduce the cost for both business and government by enabling electronic registration and verification processes.

The CSD will interface with the South African Revenue Service (**SARS**) to verify tax clearance certificates and the Companies and Intellectual Property Commission (**CIPC**) for business registration and business ownership information. The CSD will furthermore verify supplier information with the register for tender defaulters and database of restricted suppliers.

You can self-register yourself as a supplier on the central supplier database on website:

NOTICE TO ALL PROSPECTIVE SUPPLIERS

1. Finally Tender Closures at Malelane - June 2016

To all prospective suppliers be informed that with effect from June 2016 the Malelane satellite office will open and close tenders. This is a progressive intervention by the Provincial Treasury to reduce cost of doing business for suppliers. As this service is introduced suppliers/tenders will no longer be required to go to the Nelspruit offices to deposit their tender documents instead this will be done at the Malelane office.

2. Help Desk on 30 days payment

In order to ensure compliance the Provincial Treasury is introducing a Help Desk to record complaints of non-payment of suppliers/service providers after invoices were submitted to departments, public entities and municipalities. Service providers must report the fact that they have not been paid after having submitted invoices to all government institutions. In order to lodge complaints the following should be done;
