PROVINCIAL TREASURY HOSTS THE SUPPLY CHAIN MANAGEMENT INDABA

Mpumalanga Provincial Treasury in conjunction with the Bushbuckridge Municipality will host the Supply Chain Management and Opportunities Indaba at Alexandria on Friday, 23 June 2023.

The Indaba is held following a commitment made to empower the communities with information on government opportunities during the recent Executive Council Outreach and Premier's Imbizo held in the area last month

The Provincial Treasury is expected to unpack these procurement regulations and empower communities with information on tendering, systems and accessing funding for their businesses.

The objective is to assist suppliers to meet system registration (CSD, tax, Invoice processing etc) and compliance requirements for successful bidding for opportunities in government.

“Departments, entities, and municipalities are among the major procurers of goods and services in the Province and, therefore, important players in broadening participation in the provincial economy,” said MEC for Finance, Economic Development and Tourism, Ms Mpumi Hlophe.
