2021/22 MID-YEAR BUDGET AND PERFORMANCE ASSESSMENT VISITS

Section 72(1)(a) of the Municipal Finance Management Act, No. 56 of 2003 (MFMA) requires the accounting officer to assess the municipality's performance for the first six months of the financial year by 25 January of each year. This assessment should directly inform the preparation of the municipality's adjustments budget in terms of section 28 of the MFMA. The outcome of the assessment must be submitted via a report, in the format prescribed as per the Municipal Budget and Reporting Regulations, to the Mayor of the Municipality, the National Treasury and the relevant Provincial Treasury.

To give effect to the constitutional monitoring and oversight responsibilities of National Treasury, a process to comprehensively assess the mid-year performance of municipalities was institutionalised by the National Treasury seven years ago. This process, referred to as the "Mid-year Budget and Performance Assessment Visit" is one of two annual strategic engagements undertaken by National and Provincial Treasuries to strengthen the quality and oversight of municipal budgeting and performance.

The Department of Cooperative Governance and Traditional Affairs, South African Local Government Association (SALGA), ESKOM and the National Energy Regulator of South Africa (NERSA) will also be invited to participate in these engagements.

While the purpose is primarily to review the municipality's mid-year performance, the following issues also constitute key focus areas of the engagement:

- a) **Auditor-General's reports for 2019/20, 2020/21 and 2021/22 to be used as trend to determine the key achievements and challenges during this period;**
- b) **The actual mid-year results for the 2021/22 financial year, financial and non-financial, as measured against priorities in the Integrated Development Plan (IDP) and the targets set in the Service Delivery and Budget Implementation Plan (SDBIP);**
- c) **Infrastructure delivery achievements against the Infrastructure Plan of the municipality;**
- d) **Performance and spending of all national and provincial conditional grants and progress made in achieving the grant conditions;**
- e) **The preparation of the 2021/22 adjustments budget and inputs thereto; and**
- f) **The 2021/22 budget schedule and progress made in achieving the milestones and timelines specified in the schedule in the compilation of the 2021/22 Medium Term Revenue and Expenditure Framework (MTREF).**
- g) **Progress on the implementation of the Financial Recovery Plan**

The engagement will take place for a day focusing on the municipality's budget and performance. Please note that the agenda is structured to facilitate comprehensive discussions and ensure the standardization of presentations across all the 19 delegated municipalities. Hence, no changes to the structure of the agenda will be accommodated. The discussions for the day have been divided into four sessions as follows:

- Session 1: Review of performance for the 2020/21 and 2021/22 financial year (including the high-level performance of the municipality and each department/vote);
- Session 2: Review of the in-year performance of the municipality against the 2021/22 budget;
- Session 3: Financial management issues; and
- Session 4: Risk management.

As the assessment is a municipal-wide responsibility, it is expected that the Municipal Manager, CFO and the municipality's relevant Heads of Departments and other Section 57 Managers will avail themselves to participate.

PROVINCIAL TREASURY CIRCULAR NO. 1 OF 2022

The municipality may invite at its discretion the MMC for Finance or the Finance Committee Chairperson; however, this is not mandatory.

Based on previous experience, the engagement should be well represented by senior management of the municipality, in many instances the proceedings were delegated to lower level officials. This has proven to be limiting as lower level staff are not always in a position to provide clarity and adequately answer questions.

Below is the schedule of dates to be confirmed by the municipality:
