PREPARATION AND SUBMISSION OF INTERIM FINANCIAL STATEMENTS (IFS)

The Mpumalanga Provincial Treasury is requesting all public entities to prepare Interim Financial Statements (IFS) for the period 1 April to 30 September 2019. An accurate and complete set of IFS must be submitted to Provincial Treasury on 31 October 2019.

The IFS should be submitted to the internal auditors for review and the review report must be attached to the submissions to the Accounting Officer and Provincial Treasury.

The purpose of IFS is to detect and address issues that are posing a challenge to the Entities with regard to Annual Financial Statements before year-end.

The following should be adhered to by Public Entities for the process to be effective:

- a) Proper closure of the books to be done periodically;
- b) All suspense accounts should be cleared to zero to enable Public Entities to provide complete financial information on expenditure and revenue;
- c) Stock counts and reconciliation of control accounts must be performed periodically;
- d) Reconciliation of assets, creditors, debtors and bank accounts must be performed;
- e) All misallocation should be corrected to minimise material misstatement.

The following officials in Provincial Treasury could be contacted for clarification and assistance in completing the IFS:
