## **PUBLICATION OF MPUMALANGA MUNICIPAL BUDGET STATEMENTS 2020/21 FINANCIAL YEAR: 1ST QUARTER ENDED 30 SEPTEMBER 2020**

1. Section 71 (1) of the Municipal Finance Management Act, No 56 of 2003 (MFMA) requires the Accounting Officer of each Municipality to submit to the Provincial Treasury, on a monthly basis and by the 10<sup>th</sup> working day of each month, a consolidated statement on the state of municipal budget.
2. The Provincial Treasury must within 30 days after the end of each quarter, publish a consolidated statement on the municipal budgets per municipality in the Province.
3. The information in this publication is based on the 2020/21 adopted budgets and Section 71 MFMA reports that each Municipal Manager and Chief Financial Officer is required to sign and submit to the National Treasury. Therefore, any queries on the budget, revenue and expenditure reflected in the statement must be referred to the relevant municipality.
4. Furthermore, it should be noted that this report is published using the figures from the mSCOA data strings. The Municipal Standard Chart of Account Regulation requires municipalities to upload budgets and financial information in a data string format to the Local Government portal across the six mSCOA segments. Therefore the credibility of the information contained in the mSCOA data strings remains a concern as some municipality's sub-systems are not yet fully integrated with the core financial system, which indicates that some municipalities are not budgeting, transacting and reporting directly from the core financial system.
5. The table below depicts the submission of the mSCOA financial and non-financial data strings submitted by municipalities as at the end of September 2020.

6. It should also be noted that the report contains preliminary figures as at the end of the first quarter ended 30 September 2020 pending verifications by municipalities.
7. The Section 71 reports facilitates transparency, better in-year management as well as the oversight of budgets. This makes these reports management tools and early warning mechanisms for Councils, Provincial Legislature and officials in order to monitor and improve municipal performance hence credibility of the data strings is important.
