CENTRAL SUPPLIER
DATABASE
FOR GOVERNMENT

ONE GOVERNMENT ONE DATABASE

COME and REGISTER on a Government Central Database for National, Provincial, Local Government and Public Entities

The Central Supplier Database (**CSD**) will be the source of all supplier information for all organs of state. The CSD will reduce the exchange of compliance documents in paper form, eliminate multiple registrations with different organs of state, and ultimately reduce the cost for both business and government by enabling electronic registration and verification processes.

The CSD will interface with the South African Revenue Service (**SARS**) to verify tax clearance certificates and the Companies and Intellectual Property Commission (**CIPC**) for business registration and business ownership information. The CSD will furthermore verify supplier information with the register for tender defaulters and database of restricted suppliers.

You can self-register yourself as a supplier on the central supplier database on website:
