CENTRAL SUPPLIER  
DATABASE  
FOR GOVERNMENT

**ONE GOVERNMENT ONE DATABASE**

**COME and REGISTER on a Government Central Database for National, Provincial, Local Government and Public Entities**

The Central Supplier Database (**CSD**) will be the source of all supplier information for all organs of state. The CSD will reduce the exchange of compliance documents in paper form, eliminate multiple registrations with different organs of state, and ultimately reduce the cost for both business and government by enabling electronic registration and verification processes.

The CSD will interface with the South African Revenue Service (**SARS**) to verify tax clearance certificates and the Companies and Intellectual Property Commission (**CIPC**) for business registration and business ownership information. The CSD will furthermore verify supplier information with the register for tender defaulters and database of restricted suppliers.

**You can self-register yourself as a supplier on the central supplier database on website:**

## **NOTICE TO ALL PROSPECTIVE SUPPLIERS**

Help Desk on 30 days payment

It is law that all suppliers/service providers must be paid within 30 days after receipt of an invoice. In order to ensure compliance the Provincial Treasury is introducing a Help Desk to record complaints of non-payment of suppliers/service providers after invoices were submitted to departments, public entities and municipalities. Service providers must report the fact that they have not been paid after having submitted invoices to all government institutions. In order to lodge complaints the following should be done;

- Send an e-mail to **payme@mpg.gov.za** indicating naming the institution where work was done, period work done, describing the type of work. You can as well e-mail a copy of the invoice.
