1. PURPOSE

The purpose of this circular is to invite Supply Chain Managers and Supply Chain Management (SCM) Practitioners from Departments and Public Entities to attend a Provincial Supply Chain Management Forum convened by the Provincial Treasury.

2. BACKGROUND

The Provincial Treasury is mandated to monitor and oversee the implementation of Supply Chain Management within Departments, Public Entities, and Municipalities. This mandate aims to enforce compliance with legislative frameworks governing procurement. In pursuit of this mandate, the Provincial Treasury has established a platform where organs of state can share best practices, engage in knowledge sharing, promote peer learning and discuss challenges affecting Supply Chain Management practitioners.

3. DISCUSSION

Recognising the importance of effective Supply Chain Management in promoting sound governance and service delivery, the SCM Forum serves as a critical platform for stakeholders to align their efforts, strengthen compliance with SCM related policies and regulations, share lessons learned and collectively identify practical solutions to prevailing SCM challenges. In pursuit of these objectives, the identified issues for discussion include, but are not limited to the following:

- Central Supplier Database (CSD) Request For Quotations (RFQ) Overview and Updates

- Audit Issues
- Reporting of Procurement Information
- eTender Portal
- Bid Administration
- State of Liabilities in the Province
- Due diligence

Furthermore, to ensure that the forum adequately addresses institutional priorities, Departments and Public Entities are requested to submit their proposed agenda items on or before Friday, 22 May 2026 to Ms Zanele Nkosi at email address ZaneleN@mpg.gov.za. In addition, organs of state are requested to extend this invitation to the Supply Chain Manager and SCM practitioners, preferably four (04) officials per institution. The SCM Forum is arranged as follows:

Date: 05 June 2026
