### **MEC MAJUBA WELCOMES REVIVAL OF BUDGET PROCESS**

The MEC for Finance, Mr. Bonakele Majuba, has welcomed the revival of the 2024 Mpumalanga Appropriation Bill.

The motion presented by the Chief Whip of the Majority Party was adopted by the Provincial Legislature on Tuesday, 9 July 2024.

The effect of the motion is that the seventh legislature will resume processing the Appropriation Bill from the point where the sixth administration left off.

"The Provincial Government welcomes this decision as it confirms the correctness of the budget process undertaken by the sixth Administration. It also provides certainty to the financial administration and governance in the Provincial Government, ensuring continuity of critical service delivery on programs set in motion for the first quarter of the financial year," said MEC Majuba.

The Bill proposed total expenditure amounting to R61.6 billion for the 2024/25 financial year.
