Mpumalanga Provincial Treasury to host workshop for MSME's in Dr. JS Moroka Local Municipality

The Mpumalanga Provincial Treasury will host a one-day workshop to empower Micro, Small and Medium Enterprises (MSMEs) in the Dr. JS Moroka Local Municipality.

The workshop responds to the call made at the recent outreach to business stakeholders held in the area in March, where suppliers indicated this need.

This workshop is part of the department's ongoing efforts to support local businesses by equipping entrepreneurs and suppliers with the knowledge and tools to participate effectively in government procurement and broader digital transformation initiatives.

Attendees will be offered on-site technical support on how to register or update their details, effective use of the invoice tracking system to download purchase orders and submit invoices for services provided.

Event details:

Date: Wednesday, 27 May 2026

Time: 09h00

Venue: Libangeni Community Hall, Dr JS Moroka Local Municipality

Members of the media are invited to attend and cover the workshop.
