MEC MAJUBA TO PRESENT PROVINCIAL ADJUSTMENTS BUDGET FOR THE 2025/26

The MEC for Finance, Mr Bonakele Majuba, will on Tuesday, 25 November 2025, present the Mpumalanga Provincial Adjustments Budget for the 2025/26 fiscal year to the legislature.

The adjustments budget followed the retabling of the main appropriation in June 2025, which allocated R66.1 billion, prioritised funding for education, health, and social services, and supported preparations for the operationalisation of critical infrastructure.

The adjustments budget also takes its cue from the recently tabled national Medium-Term Budget Policy Statement, which provided fiscal policy direction for the year ending 31 March 2025, as well as the economic and fiscal outlook for the country over the next three years.

The Public Finance Management Act empowers the Member of the Executive Council (MEC) for Finance to amend the current provincial appropriations legislation to:

- Introduce new spending due to urgent policy commitments or unforeseen circumstances at the time of tabling of the main appropriations, and
- Reallocate funds for service delivery continuity, among others.
