RELOCATION OF PROVINCIAL TREASURY'S REGIONAL OFFICE AND TEMPORARY ARRANGEMENTS FOR SERVICE CONTINUITY

The Gert Sibande regional office of the Mpumalanga Provincial Treasury will relocate from its current location in Evander to a new facility in Secunda, Govan Mbeki Local Municipality, at the end of October 2025.

The regional office provides tender administration and advisory services on the central supplier database and the invoice tracking system to the business community in the region and nearby areas.

To ensure that communities continue to receive the same high-quality services throughout this transition, the department has arranged for alternative access points at nearby tender administration centres within the region, effective 1 October 2025.

The staff members from the regional office will be strategically deployed to nearby centres to bolster service capacity and ensure uninterrupted support as we move to the new office.

The suppliers may also utilise the Middleburg office as a convenient alternative for their supply chain management services needs during this period.

The new address for the regional office is No. 5 Van Eck Street (opposite Sasol Value Gas Station) in Secunda.
