STRATEGIC OVERVIEW

The vision, mission and values of the Department as per the Strategic Plan: 2015 - 2020 is as follows:

VISION

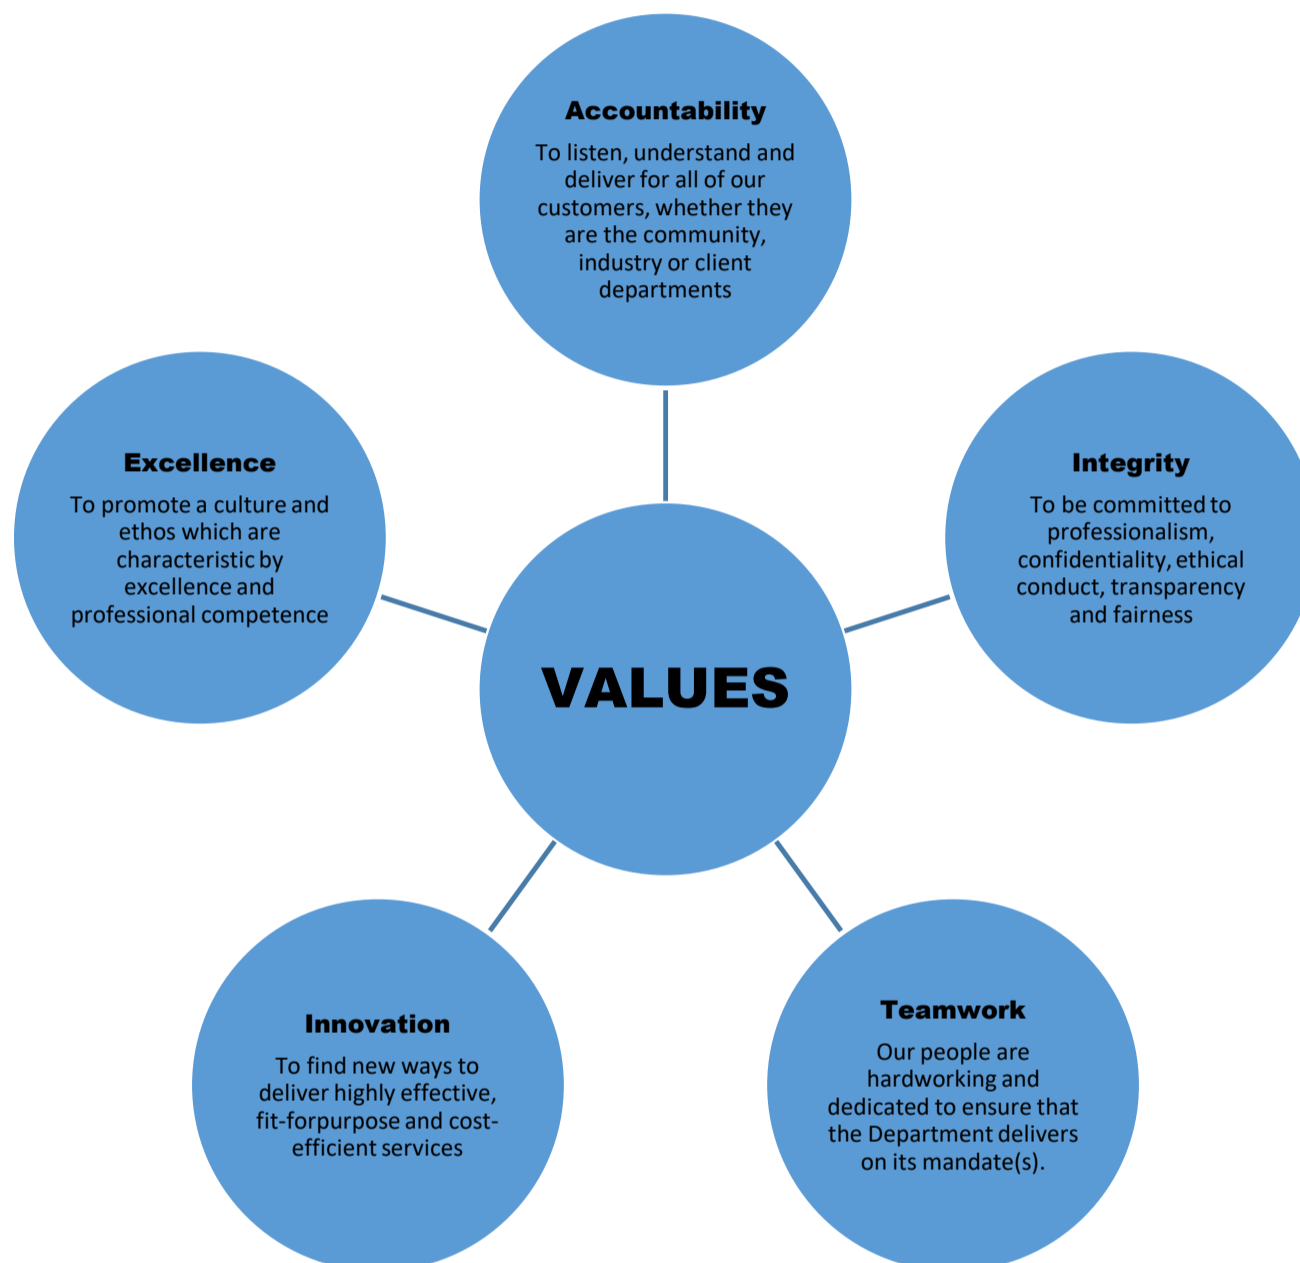

An integrated transport system and infrastructure that promote socio-economic development.

MISSION

To provide an integrated, reliable and cost-effective transport system that meets the development needs of the Province.
To deliver infrastructure that promotes sustainable economic development and job creation.

VALUES

The below mentioned values are essential to achieving our vision of providing an integrated transport system and infrastructure that promotes socio-economic development.

SERVICE DELIVERY MODEL

The Service Delivery Model of the Department in the planning, implementation and monitoring of infrastructure projects includes procurement of service providers in the built environment.

DATABASE FOR PROFESSIONAL SERVICES

This database provides for a tool that is used by the Department in 2019/20 - 2020/21 financial years in order to source professional services in various disciplines in the built environment. It includes Architects, Civil Engineers, Electrical/Mechanical Engineers, Environmental Practitioners, Geotechnical Engineers, Land Surveyors, Quantity Surveyors and Social Facilitators.
